Dear Associates!

We are excited to announce and invite you to, our first annual event, aimed specifically at creating mental health and emotional wellness awareness! On **Friday 27 August 2021**, Celebr8 will be hosting a Colour Run & Golf day at the **Rustenburg Golf Club**, called **Celebration Day!** We are 'going all out' in terms of marketing and are trusting to have at least 500 participants join in, on the celebration!

The following are ways that you, as a businessman/woman may wish to get involved:

- Sponsor a hole @ R1500 each
This is prime advertising space in which you will be permitted to showcase your business and you are welcome to hand out items which can promote your business. Each business will be teamed up with a charity organisation (thus also the reduced rate), but each will get ample exposure on each sides of the hole. It takes teamwork to encourage change! Please note that no fast foods are allowed to be handed out.
- Book a stall / exhibition spot @ R300 for your company / business.
The only limitation here is that we may not sell fast food items. Please keep in mind the general theme of the day. More info is available for exhibitors upon request.
- Join us as a corporate sponsor:
Any sponsorships will be greatly appreciated! These will be used towards the Golf day prizes and we will also make it known that your business sponsored the prize!
- Goodie bag sponsorships:
The first 100 entrants for the Colour run will receive a free Celebr8 goodie bag! Please help us to fill this bag! This can contain literally anything. E.g. A bottle of water with your company name on, a sweet treat for stamina along the way or an item unique to your business. All items should be clearly marked, and you will be required to attach your own marketing please (guidelines will follow).
- Sign up as a team for the Golf day and/ or the colour run!
Life is better when you're part of a team! So make t-shirts or get creative, and come and join us as a team, representing your company! (Group pricing also available upon request for 10 or more people)
- Last but not least, we will top off the day with an executive dinner in the banquet hall. Tickets will be sold separately for this event. Please contact us for more info.

We all know or can relate to somebody who has experienced emotional wellness challenges! Just because we live in a mining town, does not mean we need to hide our mental or emotional challenges underground!! Join us as we put transformative counselling on the map!!

Please contact me for any further info, suggestions, registration forms or queries.

Yours in wellness,
Cindyann van Dyk
