Thank you for showing interest in booking an exhibition spot at our 'Celebration day', held at Rustenburg Golf club on 27 August 2021!

Book a stall / exhibition spot @ R300 each for your company / business:

The standard stall / exhibition spot size is 2x2M, or the size of an average Gazebo. If you require a larger space, you may apply for an additional spot.

You will need to please bring your own gazebo, banners, signage etc. You may hand out flyers or business cards upon request. But please allow customers to come to you. There will be ample time for potential clients to come to you, either before or after they have enjoyed the other activities on the day.

Please note that we may not sell any fast-food items or beverages. Especially no alcohol is permitted as all food and drink sales will be run through the Golf club.

Please keep in mind that the general theme of the day, is to create mental health and emotional wellness awareness. Therefore, please try and think out of the box of ways to incorporate your products or concepts with this theme. Products that promote wellness and a balanced lifestyle will be prioritized. However, don't let this exclude you either. We follow a holistic approach to wellness which means that the whole being is taken into consideration, not just the mind or soul. The foot is part of the body as much as what the heart is. From this approach for example, honey becomes a natural anti-biotic not just a nice spread on your toast. A nice pair of shoes becomes a self-esteem must and pottery becomes an emotional outlet. There is a fine line though, we are not commercialising emotional wellness, but the aim is to help potential clients find something in your exhibition spot that can add to their emotional wellness, while in turn helping you as a business to gain exposure.

You may also want to consider sponsoring an item for our goodie bags. The first 100 entrants to the colour run will all get a free goodie bag, and this could also include something unique or true to your company. If people like what they see in their goodie bag, they will be queueing at your stall straight after they reach the finish line. Please contact us for more information in this regard.

Please note that the stalls will need to be operational from *roughly 12h00 – 18h00*. A more detailed program will be provided closer to the time. Please allow some changes here and keep an open mind, as we are still finalising the finer details.
